

**TAYLORSVILLE CITY COUNCIL
AGENDA ITEM SUMMARY**

MEETING DATE: July 20, 2016

AGENDA ITEM: Discussion regarding community signage.

PRESENTER: Mark McGrath

SUMMARY: Staff will discuss potential locations for additional community signage including gateway monument, park, and community building locations.

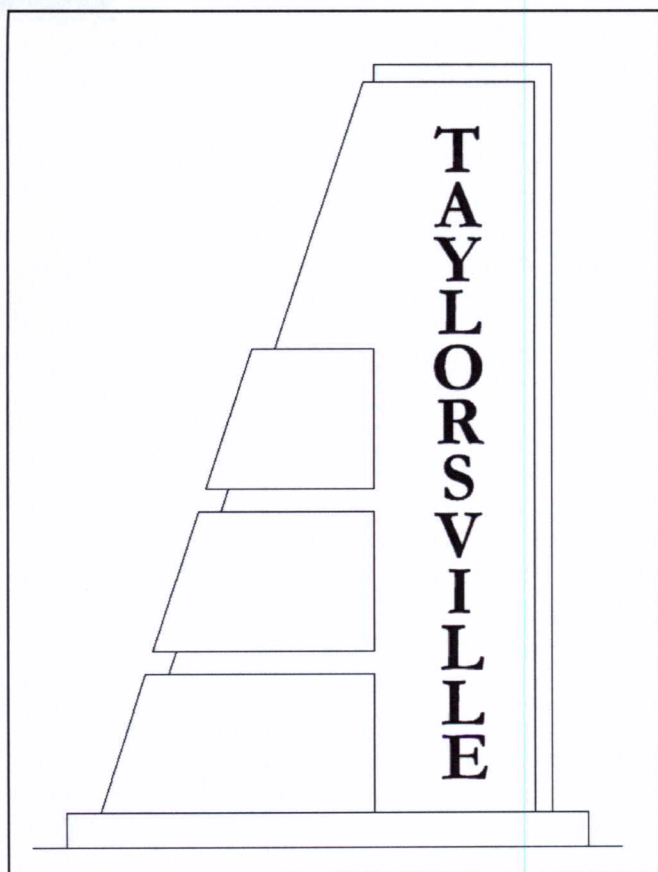

There is currently \$55,000 budgeted for community signage. Based on costs from previously constructed signs this budget will likely enable the construction of one large, one medium, or two small monument signs. Last week staff distributed a master plan map indicating planned or potential community signage throughout the City. The map illustrated a long term vision for community signage and included several locations that will, in all likelihood, not be constructed in the near future (for various reasons). The table below narrows down the master plan to those locations that are reasonable candidates for construction this year. The table indicates the location, category of sign (i.e. gateway, park, or community building), whether there is an existing sign at the location, and the proposed size/type of sign [see illustration on next page for sign type definitions]. At the July 20th City Council meeting staff will review and describe the possible advantages and disadvantages for each location on the table.

Location	Category	New or existing location	Size/Type
4100 South/Jordan River	Gateway Monument	New	Medium/Low Profile
4700 South/Bangerter	Gateway Monument	Existing	Medium or Large/Low Profile
Millrace Park	Park and Gateway Monument	Existing	Medium or Large/Low Profile
5400 South/Redwood Road	Gateway Monument	Existing	Custom
6600 South/2700 West	Gateway Monument	New	Small/Upright
4800 South/Jordan River	Gateway Monument	Existing	Small/Upright
Taylorsville Recreation Center	Community Building	Existing	Small/Community Location
Senior Center and Taylorsville Park	Community Building and Park	Existing	Small/Community Location
Taylorsville City Center [2700 W]	Community Building and Park?	New	Small/Community Location
Vista Park	Park	New	Small/Community Location
Labrum Park	Park	New	Small/Community Location
